(Head Office & Factory)

Address : Jl. Raya Tambun KM 42, Bekasi, West Java - Indonesia

Phone : +62 21 88326188 (Hunting)

Fax : +62 21 88327732, 88324452, 88327276

## Product Information

### **RHEODOL TW-IS 399C**

(Polyoxyethylene sorbitan triisostearate)

#### **GENERAL CHARACTERISTIC**

Classification	:	Nonionic surfactant
H.S. Code No.	:	3402.13-000
Melting Point	:	46.5 ° C
CAS RN	:	54392-28-8

#### **SPECIFICATIONS**

Appearance	:	Light Yellow Solid
Odor	:	Characteristic Odor
Acid Value	:	4.00 mg KOH/g Max
Saponification Value	:	5.0 – 25.0 mg KOH/g
Heavy Metals	:	20 ppm Max
Arsenic	:	2 ppm Max
Residue on Ignition	:	1.00 %

#### **MAIN APPLICATION**

Thickening agent for body shampoo, face cleanser, hand cleanser and shampoo, etc.

#### **MAIN PROPERTIES**

Higher viscosity with less dosage  
Super resistant to hydrolysis in any formulations  
Excellent water solubility and compatibility with other ingredients

#### **PACKING**

18 kgs net in can
