

# chemSHERPA-CI Composition List

## General

|                                  |                         |
|----------------------------------|-------------------------|
| External list version            | 2.13.00                 |
| Tool version                     | chemSHERPA-CI-V2R1.03.0 |
| Substance list version           | 2.13.00                 |
| Reference number                 | B0002888                |
| First edition issue date         | 2026-05-29              |
| Revision date / Revision history |                         |
| Preparation date                 | 2026-05-27              |
| Authorization date               | 2026-05-28              |

## 1.Product

|                                   |                   |
|-----------------------------------|-------------------|
| Product name / Product name Local | VINYCIZER 105     |
| Product number                    | B0002888-1        |
| Manufacturer name                 | KPM               |
| Product series name               | Didecyl phthalate |

## 2.Issuer/Authorizer

|                           |                        |                          |
|---------------------------|------------------------|--------------------------|
| Company name              | English                | Kao Corporation          |
|                           | Local                  |                          |
| Company ID                | Organization ID        |                          |
|                           | Company ID             | 695077479                |
| Division name(Issuer)     | Division name          | Global Chemical Business |
|                           | Title                  | In charge of PSR         |
|                           | Contacter name         | HirotaKaTakeno           |
|                           | Postal code            | 131-8501                 |
|                           | Country or Region      | Japan                    |
|                           | Prefecture (English)   | Tokyo                    |
|                           | Prefecture (Local)     |                          |
|                           | Municipality (English) | Sumida-ku Bunka          |
|                           | Municipality (Local)   |                          |
|                           | Address (English)      | 2-1-3                    |
|                           | Address (Local)        |                          |
|                           | Phone number           | +81-3-5630-7601          |
|                           | Extension number       |                          |
|                           | Email address          | chemical@kao.co.jp       |
| Division name(Authorizer) | Remarks                |                          |
|                           | Division name          | Chemical Business Global |
|                           | Title                  | Director                 |
|                           | Authorizer name        | Takashi Mizooku          |

## 3.Declaration Concerning Substance

|                                                 |                                                                                                                     |
|-------------------------------------------------|---------------------------------------------------------------------------------------------------------------------|
| Declaration Concerning Substance Information    | 1 This product contains the substance(s) (including candidates) listed in the relevant standard and to be notified. |
| Remarks                                         | Composition                                                                                                         |
| Reporting of Candidate of Declarable Substances | No                                                                                                                  |

## 4.Composition

| Substance Name         | CAS No. | Maximum content rate | Conversion chemical | Comment | Except for Declarable Substances (including candidates) | Relevant standard |       |       |       |       |       |       |       |       |       |       |       | Candidate Substances |
|------------------------|---------|----------------------|---------------------|---------|---------------------------------------------------------|-------------------|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|-------|----------------------|
|                        |         |                      |                     |         |                                                         | LR 01             | LR 02 | LR 03 | LR 04 | LR 05 | LR 06 | LR 07 | LR 08 | LR 09 | IC 01 | IC 02 | CD 01 |                      |
| DDP, Didecyl-phthalate | 84-77-5 | 100.0%               |                     |         |                                                         |                   |       |       |       |       |       |       |       |       | D     |       |       |                      |

## 5.Relevant standard / Candidate substances Detail

| Relevant standard / Candidate substances |                  |                                                                                                                                  | Issued/Revision                            |
