KSA Houston Office Move & Expansion

June 30, 2019

We are delighted to announce the recent move and expansion of KSA's satellite Houston, Texas Sales Office that occurred on April 9th, 2019. The move was undertaken to support the continued growth of Kao's Chemical business here in the United States market which is being supported out of our Houston office. Led by Mr. Shinichiro Suda, Vice President Oleo Chemicals and Specialties and Houston Office Manager, the move transpired smoothly within the same office complex to an office larger than the original so as to accommodate KSA's planned growth.

KSA continues to target significant growth in the US Chemical market, specifically in the Oil and Gas and Civil Engineering sectors, and is making great progress. In order to support this effort KSA is actively recruiting seasoned professionals to accelerate our efforts and there will now be room to house these future employees in the expanded Houston Office.

KSA's expansion is just another example of Kao's commitment to the US market with an increased and growing presence. We look forward to hosting you at the new office in the near future.

The new Houston Office address:

Kao Specialties Americas LLC
10077 Grogan's Mill Rd, Ste. 465
The Woodlands, TX 77380
